

**YOUR SUCCESS  
IS OUR BUSINESS**

**WE OFFER THE  
HIGHEST QUALITY  
AROMATIC FLAVOURS  
AND FRAGRANCE**

Our team is highly motivated and equipped with a vast database of suppliers and products sourced globally, enabling us to consistently deliver top-quality, cost-effective solutions while remaining at the forefront of negotiations.

Rays Biotech is an indenting agent for several products including Solvents & Intermediates for APIs and Agrochemical Intermediates. As an Indent house, we provide many services to importers.

---

### **MARKET ASSESSMENT**

We conduct market analysis and create marketing plans for our business associates to introduce their products in the market.

---

### **DOCUMENTARY SUPPORT**

We undertake product registration in India with : Drug Controller General of India (DCGI), and prepare the documents as per technical requirements.

---

### **R & D SUPPORT SERVICE**

We source all types of agrochemical intermediates for R & D from lab scale to commercial level from our overseas partners.

---

### **OUTSOURCING**

We provide outsourcing services right from identifying suppliers, and product development R&D, to documentation and support.

## Why us ?

Established in the year 2022, Rays Biotech has become one of the Leading Importers, Active Pharmaceutical Ingredient, Solvents & Intermediates for Apls, Paints Industries, Cosmetics Industries, and Agrochemical Industries. Our product portfolio of over 500 products is widely accepted & appreciated for their high quality standards.
